Everything you need to make your week
of camp at Allendale a success!

A MESSAGE FROM MAX

Greetings!

Max here, and I am ecstatic at the opportunity to serve with you this summer at Camp Allendale.

You are part of a select team that gets to lead an experience in a unique ministry context that, combined, affects thousands of youth over 7 weeks of summer. With dedication, faith, and a willingness to follow His guidance, we can uncover the incredible potential He has in store for the campers who come to Camp Allendale. I've been praying for you as you walk this path of planning, patience, humility, and more.

Your choice to invest in the summer season here at Camp Allendale is humbling. I deeply understand the amount of hours and "sweat equity" you put into leading a camp session. Marley and I are here to help in whatever way we can, please let us know how we can help. We are here for you and cheering you on, you are a big part of this amazing puzzle we call camp. I am excited and eager to learn, lead, and contribute to the rich legacy of Camp Allendale with you!

Here's to a great summer 2024!

-Max Aper, Executive Director

A MESSAGE FROM MARLEY

It is such a blessing to be part of such an incredible ministry with a vibrant history. Camp Allendale has some of the most dedicated volunteers with high levels of investment. We simply could not do what we do without the countless hours given to us by generous people like you.

Program Directors are a pivotal part of the Allendale Summer experience - from praying in preparation to recruiting volunteer faculty to helping with issues that come up during the week of camp. You are on the front lines of ministry, the ones who help lead the interactions with campers that can impact their lives for eternity.

I am so incredibly thankful for each of you and look forward to partnering with you for another wonderful summer. Please let me know how I can pray for you and help you along the way. May God be glorified through all of our efforts - working as if it depends on us and praying because we know that it all depends on the Lord.

-Marley Butler, "Director of Fun"

At minimum, each session should include:

- 1 Bible lesson per day tied to the theme

- 1 personal or family devotion time per day tied to the theme
- Emphasis on Bible memory & personal time with God
- Equipped and encouraged faculty who reinforce the theme through conversations throughout the day

UPCOMING THEMES

The Camp Committee plans themes on a three year rotation. The current rotation is planned as follows:

- 2023 - We are Known
- 2024 - We are Valued
- 2025 - We are Loved

WE ARE KNOWN

WE ARE VALUED

WE ARE LOVED

CONSIDERATIONS FOR FACULTY

One of the major responsibilities of a Program Director is to recruit volunteers to serve as camp counselors who serve as family group leaders, cabin moms and dads, and will spend the most amount of time with each camper.

- Prayerfully consider who will best fit your week's goals & needs.
- Each year, all faculty will need to fill out the Faculty Questionnaire located on our website.
- No one under 16 years old can serve as faculty.
- Each cabin or room must have at least one faculty 18 years or older.
- Faculty are to ensure that campers should never be left without supervision and no faculty member should be left alone with a camper.
- Children of faculty are highly discouraged, please use the utmost discretion.
 - If faculty bring children, they must stay with their parents at all times, they cannot take a camper bed, and must follow all rules and camper schedule.

FIT PROGRAM

The role of junior faculty (16 & 17 year-olds) is to be a friend to the campers, provide supervision for their activities, and assist the adult faculty.

- Faculty in Training (FiT) must complete the online training
- They must be at least 3 years older than the age group they are serving
- No more than 25% of your faculty can be under 18.

- Camp Allendale can run background checks for individuals who do not have written documentation from another ministry.
- We obtain the information needed for background checks as well as t-shirt sizes through the Faculty Questionnaire. Please have your faculty fill this out at least two weeks before your session.

SEXUAL ABUSE AWARENESS TRAINING

When offered, all Program Directors, Program Coordinators, and paid employees over the age of eighteen are required to complete Sexual Abuse Awareness Training.

- The Program Director must report it to the Executive Director.
- The Program Director will fill out a report to keep on file and to make official report to authorities.

- If your family group participates in an activity that requires camp staff (swimming, archery, etc.), you must be present with your group. You cannot send your campers without adult supervision.
- Every camper and faculty must wear a wristband. You as faculty should set the example for your campers about the importance of wearing the wristband. Visitors for the day should have badges issued by the camp office.
- Please park your car in a camp parking lot and leave it parked the entire time you are here. Under no circumstance should you have campers in your personal vehicle.
- Please watch your campers very carefully concerning harassments, bullying, ridicule (public and private). These issues include treatment by faculty as well as other campers and are not tolerated at Camp Allendale.
- Faculty are discouraged from posting pictures or videos on social media sites. Faculty should not request to "follow" or "friend" campers; you may use discretion on whether you will accept requests that campers initiate.
- Please review and enforce the Camp Allendale Code of Conduct. It is something to be taken very seriously.

Allendale Staff/Volunteer/Camper Code of Conduct

Camp is to be a safe and enjoyable place for everyone! NO one should ever feel threatened or uncomfortable because of the actions or words of another camper or adult. Because this is so important to all of us at Camp Allendale; everyone is asked to follow these guidelines for appropriate/inappropriate conduct between campers; and between campers and adults. **ENJOY YOUR TIME AT
CAMP ALLENDALE!**

HOMESICKNESS

Nearly every camper will experience some level of homesickness and in most cases, it will resolve on its own. When it seems to linger longer and be noticeable to those around the camper, Camp Allendale has a policy in place that you will want to communicate to your faculty.

- The family group leaders and faculty in their cabin will be the first line of defense.
 - Speak with an adult emphasis and do not baby them.
 - Get to know them, set short-term goals for camper: "Let's go do this activity and see how you feel after."
 - Remind them that their enthusiasm is contagious.
- The Camp Nurse will be the second line of defense.
 - It is vital that they are not treated like a baby.
 - The nurse can help rule out any other potential medical condition causing the homesickness.
- The Program Director is the last line of defense.
 - Talk to camper and see if they'd be willing to wait "until tomorrow" to make a decision about calling home - emphasize their value and what they would miss out on if they were not at camp.
 - Campers are not allowed to call home without permission from the Program Director and should be a last resort option.

VISITOR POLICY

- Visitors are strongly discouraged as they can be a distraction and is limited to parents, grandparents, or church ministers.
- All visitors are required to check in at the camp office upon arrival. Once verified by camp staff, they will receive a visitor badge.
- Camp staff will contact the Camp Coordinator to bring camper or faculty to the designated meeting location - they are not allowed to go into cabins, dining hall, or chapel without camp staff or Program Director permission.
- Volunteers who are not staying throughout the week are asked to check in at the camp office on the first day they attend the camp session. They must leave by 10pm, unless pre-approved by Executive Director.

EARLY DISMISSAL

Parents will fill out an early dismissal form if the camper will need to leave early. Campers are not allowed to return to camp after they have been dismissed. Medical exceptions will be considered on an individual basis.

PLANNED EARLY DISMISSAL

- Camp Coordinator is given list of campers dismissing that day
- When parents arrive, Camp Coordinator is called to go bring camper to office
- Parent signs out camper - office keeps copy of form

UNPLANNED EARLY DISMISSAL

- Contact camp office about expected pick-up time
- If during office hours, office will help coordinate pick-up
- If nurse is dismissing camper, please have them fill out form located in their binder of information
- If overnight, please notify camp office of camper dismissal the next morning

DECISIONS MADE AT CAMP

Camp can be a powerful time in a young person's life while distractions are removed and everything is focused on Christ. Each year, many young people choose to make Camp Allendale a catalyst for life change - whether that is accepting Christ for the first time and being baptized, a rededication to getting back on track, or a commitment to vocational ministry. While we do not want to get in the way of the work God is doing in an individual's life, we want to ensure that we are setting the student up for success as they re-enter their daily lives outside of camp.

- When a student expresses interest in making a decision, have them talk through what that means with faculty members or the Program Director.
- No baptisms are to be performed at camp without first contacting the parents and the minister of the church if possible.
- You may not baptize a child unless the parents have given permission.
- No formal invitation should be offered to campers in 1st-4th grades.
- Only one night of invitation is recommended for campers in 5-6th grades.
- Invitations are recommended each day for campers in 7th-12th grades. Those interested in vocational ministry should be encouraged to speak with the Program Director or a minister from their church.
- Please keep a list of all decisions made at camp and turn in to the camp office. There is a place to fill out this information on the online PD Evaluation form which will be e-mailed to you after your session.

RESIDENT MISSIONARY

Each year, Camp Allendale hosts a Resident Missionary for the entire summer. This program has been in existence since the early 1980s. Campers increase their awareness of God working globally, getting a closer look at the ways in which God uses all types of people with different skill sets, and overall instilling a heart of missions from a young age.

As a Program Director, you need to carve out time each day for the missionary to share with the campers. Because the missionary is shared by all camp sessions, please coordinate with other sessions for when daily missions time is to happen. With multiple small camps, feel free to combine for the missions times.

Campers will have opportunities to give to the missions organization through daily offerings. Please do not use gimmicks to get students to give - our goal is to teach missions, not to raise money in any way possible.

You will need to give your missions offering to the Program Coordinator to turn in to the offerings to the camp office ASAP. You will receive a daily update on your camp's offering totals.

CANTEEN

- We offer two canteen times per day - one in the afternoon at **3:15** and one in the evening at **8:00**.
- Campers are limited to 2 items per visit (1 snack, 1 drink).
- Each item costs one punch on the canteen card.
- Canteen cards may be used for missions offering. Each square is worth \$1 and can be torn off of the canteen card for missions.
- Squares that are torn off the canteen card can only be redeemed as missions offering. They may not be used for purchasing canteen items.
- Each faculty member receives a free canteen card. This complimentary card cannot be used for missions offering.

STOPLIGHT

- A stoplight is located at each canteen.
- The stoplight is an indicator of the cleanliness of the campgrounds and is there to encourage campers to take responsibility in keeping their areas clean and tidy.
- The stoplight will start and remain green as long as everything is remaining clean - from the dining hall to the dorms and grounds.
 - The Executive Director will be the one who monitors the cleanliness of each camp and changes the stoplight color.
- A yellow light means that things are looking messy and if the camp is not cleaned soon, the canteen will be closed.
- A red light means that the camp was not cleaned during the yellow period and canteen is closed for the rest of the week.

CAMP RULES

- Hazing or bullying whether through physical or verbal methods may be grounds for immediate dismissal.
- Possession or use of any alcohol, drugs, fireworks, firearms, tobacco or weapons is prohibited.
- Any sexual promiscuity is prohibited. Encourage everyone to use the bathroom stalls for changing clothes.
- No campers nor faculty are to go inside the lodging area of the opposite sex. Immediate dismissal may occur.
- **ALL** medication must be given to the nurse at the beginning of the week. This includes over-the-counter medication and faculty medication.
- Camp Allendale is a **NUT-FREE ZONE**. No nut products of any kind are to be brought on to the campgrounds. This includes faculty-only snack areas.
- Campers are not to have phones or other electronic devices. No faculty member is to allow a camper to call home without first notifying the Program Director.
- Water rules will be given by camp staff at the camper orientation and will be reinforced throughout the week by the lifeguards. Please respect the lifeguard's authority.
- Golf carts must only be operated by adults (18 or older). Campers are only given rides in case of emergency.
- Please try to keep your session from becoming a distraction to other sessions happening. Do not use amplified sound outside after 10pm.
- Buildings are locked at 12am and unlocked at 7am. No one should be outside of the dorms during that time.

WATER SAFETY

Campers will be given rules for how to stay safe at both the pool and the lake. Please give your respect to the lifeguards on duty at all water activities and set a good example by following the rules. Failure to do so will result in losing activity privileges.

- Life vests are required for anyone (adult or camper) using watercraft. The maximum capacities for boats are:
 - 3-4 people per jon boat
 - 2-3 people per canoe
 - 1 person per kayak
 - 1 person per corcl (corcls have a 150lb weight limit)
- 1st-4th grade campers are not allowed to blob and therefore faculty of these age groups are not allowed to blob.
- Life vests must be worn when using the inflatable water toys at the lake. They are not required in the swimming area at the lake.
- The inflatable slide can have no more than five people on it at one time. Only one person can go down the waterslide at a time, feet first.
- Only one person at a time on top of the Blob tower. The jumper and the launchee must be within 50lbs of each other.
- Faculty cannot blob campers.
- No running and jumping off of the dock into the water.
- No campers or faculty are to be on the lake after dark.
- Swim tests are required for elementary campers in order to be able to go off of the diving board. They are given at the first swim of the week.

DRESS CODE

Due to the active nature of a session of camp and our desire to strive for a modest environment where everyone feels comfortable, campers, faculty, and staff should adhere to the following dress code:

- Shoes must be worn everywhere and at all times except for in the dorms, at the pool, or at the beach.
- Shirts must be worn at all times unless involved in a water activity.
- Please refrain from wearing halter tops, crop tops, or spaghetti straps.
- Shirts should not be longer than shorts.
- Clothing should not expose undergarments.
- Pants/shorts/skirts should not be tight or form-fitting through the hips or legs.
- Any clothing or accessories that advertises the use of drugs, alcohol, cigarettes, or any slogans or symbols that are in contradiction with our statement of faith is prohibited.

Water Attire: Guys are not permitted to wear brief swimwear. Girls may wear one-piece or tankini swimsuits offering similar coverage. If suits are worn at other activities or mealtimes they should be covered. Please encourage campers not to wear wet suits all day.

ENFORCEMENT

Each camper family was provided the dress code at registration in hopes that only clothing within the dress code will be packed.

Family group leaders will be the first line of defense with addressing articles of clothing that are outside of the dress code

Program Directors are responsible for ensuring that the dress code is followed with faculty members.

If you observe an Allendale employee outside of dress code, please notify a full-time Allendale staff member.

Please let the Executive Director know if a camper is in need of additional clothing items in order to comply with the dress code.

CABIN POLICIES

- You are expected to be with your campers at all times. State law requires that all campers be supervised. This is especially true in the dorms. An accident in a dorm by a camper, when there is no supervision present, is called "extreme negligence" by the state of Indiana.
- Do not allow campers to take pictures in the dorms or restroom areas.
- Faculty should set the example of modesty at all times. Please be diligent about your dressing habits in front of the campers. Change your clothes in the shower area or toilet stalls and encourage campers to do the same.
- Under no circumstances should a camper ever sleep on the floor. Even if they volunteer to do it or really want to do it.
- Please refrain from any pranks during your time here at Allendale. There are many other ways to have fun.
- Personal medications need to be turned in to the nurse. Indiana state law forbids any type of medication in the dorm areas. The camp has many over-the-counter medications available at the nurse's station should you need them.
- The camp curfew is midnight and all cabins will be locked at that time. Cabins will be unlocked each day at 7am.
- Encourage keeping the cabins tidy throughout the week - this will help prevent lost items.
- No food should be kept in the dorms.
- Campers should not have matches, knives or anything that could be considered a weapon, or electronics.

SEXUAL ORIENTATION/GENDER IDENTITY PROTOCOLS

Here are some practical steps to take when dealing with issues concerning sexual orientation and gender identity.

Take a breath!

- Respond, do not react. Pray for insight and a calm spirit.
- A lot of children are truly damaged. The impact of that damage often is displayed in a safe environment like camp.
- A child's behavior is often due to trauma, peer pressure, or social norms.

Determine who the behavior/comment directly impacts

- Other campers
 - Acknowledge their struggle, but do not legitimize their behavior
 - “I want to understand how you feel, but you must understand why your actions towards _____ was not appropriate.”
 - Conversation as to why the behavior is not acceptable
 - Violates personal space
 - Makes others feel uncomfortable
 - Violates the camp's Code of Conduct
 - Help them understand the need for camp to be a safe environment for everyone
 - Does the behavior constitute immediate dismissal?
 - Severe violation of code of conduct
 - Individual's behavior has become so impactful that other campers feel unsafe or have a desire to leave camp.
 - Is the behavior correctable?
 - Conversation as to why the behavior is not acceptable
 - Consequence if behavior continues
 - Removal from small group/cabin
 - Dismissal from camp

SEXUAL ORIENTATION/GENDER IDENTITY PROTOCOLS

Determine who the behavior/comment directly impacts

- The individual themselves
 - Initiate a private conversation with camper
 - “I really appreciate your willingness to share this, I would love to talk about this with you in a more private setting.”
 - At least two but no more than three individuals plus the camper should be in the conversation
 - A member of the same sex of the camper should be one of the individuals
 - Include a staff member from camper’s church if possible
 - Involve the small group leader or dorm parent that the camper confided in, if they are over 18
 - If the person the camper confided in is a fellow camper or a faculty under 18, share with the camper that person who told the PD was not “telling on” the person but only desires the best for them.
 - Ask Good Questions
 - Listen well. Create a safe environment.
 - Do not ask Yes or No questions.
 - Do not make assumptions.
 - Kids who struggle with gender identity rarely do so out of rebellion, but more out of woundedness.
 - Gather Information
 - Help me understand why you feel this way...
 - Who in your circle of friends knows about these feelings?
 - Are your parents aware of what is going on?
 - Do you have an adult at your church or school that you have shared this with?
 - Determine a Course of Action
 - Notify parents?
 - Identify church staff?
 - Offer Resources?

SEXUAL ORIENTATION/GENDER IDENTITY PROTOCOLS

Acknowledge that we can no longer assume that campers who come to us with questions consider the Bible to be authoritative on any topic, let alone sexuality.

Faculty should not allow campers to inappropriately advance their own personal or political agendas. If a camper attempts to promote personal topics, such as his or her transgender identity, that is not relevant to the subject matter being taught, the faculty member should redirect the conversation to the subject. Faculty should recognize there is a proper “time, place, and manner” for this and redirect the discussion to the lesson, and then follow up with the student one-on-one if needed.

Responses to questions should be straightforward and truthful. Disagreements about gender identity issues should be referred to the Program Director or Allendale Executive Director.

Faculty should never become confidants to campers or make a promise of keeping a student’s “gender identity” confidential from his or her parents or guardians.

If ministry staff from the camper’s church is present during the week of camp, they should be involved in all conversations with and about the camper.
